"A Bright Future Starts Here"

Lilliput Day Nursery in Rubery is privately owned, and offers nursery care for children between the ages of 3 months to 5 years, accommodating a total of 50 children.

The aims of the nursery;

- To provide a happy, safe, stimulating environment where children are offered a full range of fun experiences and activities which are planned to promote development and learning.
- To ensure the welfare and safety of the children is maintained and to safeguard all children.
- To ensure that every child is treated with equal respect and that their individual needs are met by working in partnership with their parents.
- To promote understanding of the cultural diversity of our society and ensure that no child is discriminated against for any reason.
- To maintain confidentiality regarding our children, their families and our staff.
- To provide a full educational grounding following the EYFS in all development areas: (Communication and Language, Personal, Social & Emotional, Physical, Literacy, Mathematics, Understanding the World and Expressive Arts & Design.), whilst ensuring the children's safety and enjoyment.

A bright future starts here.

During 2018 our nursery has undergone a refurbishment which we are very proud of. It is now a bright, calm and natural environment which is more open plan and allows our 2 - 5 year old children to free flow between rooms and the garden. Our babies also have a completely newly refurbished room which they love.

Our Team

We adhere to staff ratios as set out in The Children act 1989 and the EYFS.

The requirements are:

	Children Act
0-2 years	1:3 staff ratio
2-3 years	1:4 staff ratio
3-8 years	1:8 staff ratio

At Lilliput Day Nursery all our senior staff are qualified to at least level 3 and have post qualifying experience.

Nursery Practitioners are qualified to at least Level 3.

Nursery Assistants Practitioners are working towards gaining level 3 qualifications.

They work together as a team to promote a positive, fun, educational and caring environment for your children to play and learn.

The children's day is planned to their individual needs and developmental areas following their next steps and interests.

Baby Room

Our baby room is for babies aged from 3 months until they are 2 years old. It is a bright, spacious and calming environment. We provide lots of natural and recycled resources to encourage the early development of hand eye co-ordination, fine and gross motor skills and develop curiosity, imagination and social interaction.

There is a separate milk kitchen, sleep room and changing area. 9 babies are accommodated in here with 3 staff caring for them and supervising them. The sleep room is monitored every 5 minutes with staff physically checking each sleeping baby and recording this. There is also a window so that staff can always see the sleeping babies.

Our babies are encouraged to be independent with their drinking and eating when they are ready. Activities are provided including art (messy and sensory exploration), music and physical play, that are age and developmentally appropriate. We use lots of open ended and natural resources to encourage creativity, imagination and curiosity. All babies have access to the garden.

Individual routines are followed to fit in with home life. We display photographs with information on individual requirements for children such as nappy changing and sleep routines.

The staff promote language skills through verbal games, rhymes, song bags and stories in addition to their normal verbal interaction with the children.

Daily Requirements

- Nappies, wipes and a Zinc and castor oil cream are provided for all children needing them.
- Parents are asked to provide sterilised bottles for the babies, clearly labelled and the milk powder measured out into separate tubs so that we can make the feeds up. Also, in the case of your baby needing extra milk, we ask you to provide small cartons of ready made formula milk.
- Breast feeding mothers are welcome at any time to continue to feed their baby. This can be done in the baby room or in the privacy of our comfortable staff room.
- Please provide a change of clothes for children as they will engage in messy play/water play etc.

Please note:

We provide nappies and wipes and an own brand zinc and castor oil cream. If you wish to use other brands you will need to provide these yourselves with no reduction in fees.

Little Learners and Pre- School (2-5 year olds)

Our downstairs area consists of 4 large open plan rooms which cater for our 2 - 5 year old children.

Little Learners is for children aged 2 - 3 years old.

They have a large room which has dividing doors that can make it 2 separate rooms

Pre School is for our 3 - 5 year old children.

This is a large room with a sink area for them to wash their hands after getting messy.

There is also a large open plan area in the middle of these two rooms and throughout the day our 2 - 5 year old children will be able to free flow between all areas and the garden.

A planned routine is provided allowing for free play, free flow and focused activities that are appropriate to the age and development of the children. Activities are provided that encourage the children's social and emotional development as well as their language, concentration, physical skills, imagination and curiosity.

The children's routine and activities are planned following the Early Years Foundation Stage (EYFS) and to aid the individual development of the children.

Children's independence and hygiene skills are encouraged in these rooms when the children are ready.

All routines and experiences aid the individual development of the children to ensure they are ready for their transition to 'Big School'.

The children in here will do messy/creative activities such as painting, play dough, sand and water play which are accessible every day and quieter activities such as story time, get together time, construction, drawing and role-play. They also have access to lots of loose parts, natural and recycled resources.

We are registered for taking Nursery Education Funding for eligible *2 year olds, 3 and 4 year olds. (*15/30 hours EEE funding)*(conditions apply & in the case of more than one child attending from the same family, the older child is not eligible for the 10% discount if using a funded place.)

The Garden

All our children have the opportunity to go outside several times a day. Our 2 - year old children are able to access the garden whenever they wish apart of our free flow downstairs area. We have a lovely garden with a covered decking area. We provide all in one rain suits and wellies so that children are able to access the garden and get messy and creative whatever the weather.

Soft Play Area and Ball Pool

We also have a lovely soft play area with ball pool that all children have the opportunity to use.

EYFS

We work towards the Early Years Foundation Stage Principles (EYFS) which is essentially a curriculum for Nurseries, implemented by the government and OFSTED. The document identifies three prime areas of learning and four specific areas of learning which we will aim to cover each day.

The prime areas are :

- Personal, Social & Emotional Development (PSED)
- Physical Development (PD)
- Communication & Language (CL)

The specific areas are:

- Literacy
- Mathematics
- Understanding the World
- Expressive Arts & Design

We encourage child-led learning, where we listen to the children and allow them to decide what activities/toys they are interested in.

Our planning is available to be viewed on the wall for all parents to see and add to if they wish.

"Children learn best when they are relaxed and having fun. This happens when they are playing"

Settling in/Key Person Role

Your child will have their own key person for the period of time they are in a room. You and your child will be able to build up a positive relationship which will help all parties work together for the benefit of the child during their time with us. The key person will make observations on their progress using the online learning journey Tapestry.

Leaving your child for the first time is one of the hardest things you will do. We offer a settling in period where parents can stay as long as they feel they need to. You are welcome to call or come to the nursery at any time and staff will work alongside you to help both you and your child settle into Lilliput.

We recommend that part time children attend for at least 2 days/sessions a week. From our own personal experience, we have found that any less than this, the children find it hard to settle, although each child is different and some children may be fine with attending once a week.

We also have events and workshops within the nursery where parents are encouraged to come and spend time with their child and their key worker. We hold several of these during the year doing activities such as arts & crafts, cooking and Christmas crafts.

Meal Times & Menu

We have our own cook who provided breakfast, mid-morning snack, a freshly cooked lunch and afternoon tea for the children with fresh drinking water available all day in all rooms. Dietary requirements are catered for and all staff are made aware of these. We cater for various special diets and have experience with food allergies. All dietary requirements are discussed fully before a child starts. We follow the guidelines of The Children's Food Trust and Startwell to ensure the food we give to the children is healthy.

5 Star Food Hygiene Rating

We have been awarded 5* food hygiene rating from Bromsgrove District Council, planning and environment Services for 5

consecutive inspections. We are very proud of this achievement and this reflects the high standards that the nursery adheres to.

Examples of our typical menu are as follows:

Breakfast	Mid morning snack	Lunch	Tea	Alternative
Cereals, toast, scotch pancakes, yogurt, dried fruit, milk, fruit juice or water	Fresh fruit, carrot or cucumber, hummus, breadsticks, wholemeal toast, milk or water	Cottage pie, carrots, peas and gravy. fruit crumble, Roast dinner, fresh fruit salad. Fish pie, peas, carrots & parsley sauce, bananas & custard	Cream crackers, cheese. Assorted sandwiches, beans on toast, pizza, yogurt, fresh fruit. Milk or water	A variety of alternative options are available depending on children requirements

At **Lilliput Day Nursery** meals times are a social occasion where children can learn to chat to others, feed themselves and continue to learn table manners. Little Learners and Preschool children are encouraged to help serve the meals safely using the appropriate equipment.

Special Needs

Lilliput Day Nursery is committed to including all children and their families equally, regardless of ability or special needs. We will work with the family and other professionals to ensure this is achieved, where possible. We have our own Senco coordinator who has built up a close relationship with the Worcestershire Area SENCO.

All children have a personal on-line Learning Journey which records photos, observations and comments, in line with the Early Years Foundation Stage. This creates a record of your child's experiences during their time with us.

We use Tapestry, a system, which is hosted in the UK on secure servers. You will have secure access (via email address and password) to your child's Learning Journey and, in addition to viewing our contributions, we encourage you to add to it by uploading your own photos and comments or commenting on observations made by us.

This helps to provide a strong partnership between the setting and home as well as encourage and promote the children's ongoing development from when they first attend nursery through to when they leave to attend primary school.

Parents Comments/Views

Dear Lilliput

We felt that we had to let you know our feelings and thoughts regarding our son and his time spent at your nursery in Rubery.

Well, we were thinking this will be the hardest thing to write, as frankly, he is who he is due to our skill (luck!) and your wonderful nursery!

He has been with you since he was a babe in arms, we talked often as to whether we were doing the right thing for him, and how this would affect him as he grew.

We had nothing to worry about, he loved his days at the nursery and has developed into a wonderfully bright, sensitive and caring little boy, yes we had a part to play in this, but so did your staff.

He has been fortunate to have some special role-models, who have cared for him and seen him grow into the special little boy he now is.

We would like to thank you from the very bottom of our hearts for making our little boy as important to you, as he is to us.

Thank you so much.

"I loved the nursery before but it's just brilliant now after the refurb."

"Thank you for the Tapestry link. The site is fab, really enjoyed looking at what my child gets up to at the Nursery. It's lovely to see the pictures and videos too. What a great resource! Thank you"

"Tapestry has been fantastic for us and it's very simple to use and access. Every week I can't wait for a new observation to inform me of what my child is doing. Genius idea!!!"

"I have found Tapestry really useful and have thoroughly enjoyed watching videos and seeing pictures of my child at nursery. Its' great to get an insight of what is going on in his nursery life as it is not always easy to find out this information from the children. It is also very easy to use and to upload your own videos and pictures to enhance what has been taught in the classroom."

Parent/Nursery Communication

Newsletters

Once a month, you will receive a newsletter either via e-mail, Tapestry or a paper copy if preferred. It will contain information on the previous months, important dates and future events, staff news, room news etc.

Parents Evening

We hold parent's evenings for each room 3 times a year. These fall around the same time as we complete the children's progress checks. We inform you in advance so you are able to book a time slot with your child's key person. During this time you can discuss your child's progress and share ideas with us to help us to work in partnership to promote your child's future development.

Open Door

We aim to have a very open and honest relationship with our parents so offer an open door policy, which allows parents to come to management or staff at any time should they wish to.

Parents Comments, Ideas & Opinions

Situated in the Reception area, we have a bulletin board which displays suggestions/comments from parents which we welcome as points for improvements or praise. We are then able to use them to further develop the nursery and continually improve the service we provide.

First Aid and Millies Mark

We have also ensured that all of our staff are paediatric first aid trained but during 2018 we were awarded the accreditation of Millies Mark, the gold standard in paediatric first aid for early years providers. This means we go above and beyond what is legally required from us to help keep children safe.

Standard fees apply to all children under 2 years old and 2 year olds, not in receipt of funding.

We do not offer any funded places outside of the hours stated above. There is no variation of these times.

The extra hourly rate charge is to extend either a morning session into part of the afternoon or to earlier if the full afternoon is booked and then only on an occasional basis if available. It is not to extend funded sessions or if on a permanent basis.

If you require the extra time permanently you will need to book the full day as wraparound care.

If you require times outside any of these hours or all year round then you will need to book a wraparound care place.

In order to claim funding parents must complete the Lilliput Children's Day Nursery Ltd's flexible funding agreement and the local authority funding agreement.

For all funded sessions, attendance is monitored to ensure the entitlement is used effectively. If you are under using your entitlement either due to absence, late arrival or early collection you may be subject to additional charges if the local authority claw back any payment made for your child.

Opening Hours

*7.30am - 6.00pm Monday to Friday

*7.30am - 8.00am pre bookable (this half hour needs to be booked in advance but is at no extra cost)

Sessions for funded only children are available, please enquire.

- Extra hours must be booked giving 48 hours notice to ensure correct staff to children ratios are maintained. 48 hours' notice must be given if cancelling extra sessions. Otherwise the full session fee will be due.

Fees are payable 51 weeks of the year. Our opening hours on the last day before Christmas closure are 8am-2pm. The nursery will be shut for approximately 1 week at Christmas.

Booked sessions are not interchangeable.

4 full weeks written notice is required to either change booked sessions or terminate the nursery contract by both parties except in the case of non-payment, when the nursery reserve the right to terminate the place without notice.

All fees are payable in advance of any childcare received, by standing order, cash, bank transfer, workplace vouchers or tax free childcare and are due by the 1st of every month. If you choose to pay weekly then fees are payable at the beginning of every week. All fees are due at this time regardless of whether you have received your invoice.

Any fees (part or full) received after the 7th of the month will incur the £25.00 late payment charge. Weekly fees must be received by the first day of the week. Any weekly payments received after this date will incur the £8.00 per week late payment charge. These charges will be automatically applied to you account.

Failure to pay fees will result in your nursery place being suspended or terminated until all outstanding fees are paid. If fees remain outstanding the company will formally pursue the monies and any further cost incurred will be passed onto you.

All Bank and public holidays are charged for. We close for one week at Christmas which is not charged for.

Fees are payable regardless of any absence due to illness, days off and holidays.

There will be an increase in all fees from 1st April each year of approximately 5%. However we reserve the right to increase our fees or amend our terms and conditions at anytime giving 4 weeks notice.

For full fee paying sessions our prices are fully inclusive of nappies, wipes, cream, sun tan lotion and meals. If you choose to use a different brand then you will need to provide this and there will be no reduction in fees.

For funded sessions there will be an additional weekly charge for enhanced resources. Please see our funded sessions fees list.

Please see our full terms and conditions for more information.
